

## **Sports Premium Funding**

**2015-2016**

At Polegate we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision through employing additional sports professionals to work alongside our teachers, entering into more competitive sports competitions and training our staff to deliver in-house quality PE sessions.

### **What is the Sports Premium?**

The government is providing funding of £150 million per annum for the academic years to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years - here at Polegate Primary that will mean around £9,500 a year. The money can only be spent on sport and PE provision in schools.

### **Our philosophy for spending**

We want to ensure our funding has a lasting legacy in school and builds capacity amongst staff.

### **Targeted Areas**

1. To introduce activities specifically aimed at enabling our most able pupils to achieve the highest standards in PE and Sport (ie. Swimming gala against local)
2. Forge links with an even wider range of external sports clubs to achieve sustainable ways of engaging all pupils in physical activity and sport.
3. Ensure all teaching is outstanding across the school.

<b>Use of funding</b>	<b>cost</b>	<b>detail</b>

### **Impact of the funding**

The profile of sport across the school has been raised, higher sports participation, enhanced skills progression, lowering obesity rate, high parental support, strong links established within the local community to sign post to enhanced sports coaching, such as local cricket, swimming and rugby clubs.

The number of extra-curricular sporting clubs has increased during the year.

High numbers of our children have participated in one or more of these clubs this year.
