

DEAR PARENTS

W/C : 27/02/17

Dear Parents,

Each week you will find our **Dear Parents letter** on our indoor and outdoor noticeboard and also on the website for Polegate school at www.polegateschool.co.uk

Our focus: 'I can

We are now thinking about what we can do and how our bodies work. We will be continuing to take part in a range of physical activities, linking this to our work on counting, estimating and positional language (on , in , behind, next to, under, over, through, between etc).

Rhyme of the week:

Put your finger on your knee

(tune of 'If you're happy and you know it')

**Put your finger on your knee, on your knee,
Put your finger on your knee, on your knee,
Then turn yourself around,
Stamp your feet upon the ground.
Put your finger on your knee, on your knee.**

Repeat with different body parts

Parent Consultations

We would like to offer you the chance to meet with us w/c Monday 6th March 2017 to share with you how your child is getting on at nursery and answer any questions you might have. These will be led by Mrs Trent and some afternoon and evening appointments are available (similar timings to the school parents evenings). Please sign up for an appointment time in the nursery foyer as soon as possible.

Thank you

Thank you for your continued support with sharing wows with us and taking part in home reading. It really is lovely to hear all their enthusiasm for books and sharing their achievements with them.

Personal belongings

Some water bottles have gone missing so please check cupboards at home just in case. Some new resources have been going home in pockets too. Completely understandable but if you spot anything that you do not recognise could it please be returned. Much appreciated.

General news

The children have settled back into nursery so well after half term. They all seem to have grown in confidence and independence which is lovely to see. They are enjoying the fresh spring weather outside and being able to use the grassy garden. We still have more exciting plans for the future but already the tunnel hill and new mud pie kitchen layout has inspired lots of fantastic learning through play. ☺ Although the weather can seem bright it can also be cold so please make sure they still bring in warm, appropriate coats and accessories.

**Thank you for your continued support.
Looking forward to sharing with you
at parent consultations.**

Love from the Nursery Team
