

DEAR PARENTS

W/C : 06/01/17

Dear Parents,

Each week you will find our **Dear Parents letter** on our indoor and outdoor noticeboard and also on the website for Polegate school at www.polegateschool.co.uk

Our focus: 'Winter'

We are using the children's enthusiasm for the film 'Frozen' and their interest in the change of season and of course ice and snow, as a mini theme for their learning for the next few weeks. They are already enjoying our arctic den and small world invitations.

Bookbags

Each child will be coming home with a book bag. Please treat with care and return your child's bag to the bookbag box when your child is ready for a new book. It is so important to encourage a love of books and this is an ideal opportunity for lots of lovely meaningful talk with your child. Don't forget children having the same book read to them several times helps with their language, confidence and when ready, word recognition.

Wow! Stickers

Please use the attached labels to record anything that your child does that makes you feel proud. For example learning to ride their bike, being very helpful, showing thoughtfulness towards another person, performing a song, surprising you with what they can now do or something amazing that they have said.

Anything that you would like to share with us would be fantastic as only by working together, parent and nursery, can we get a true picture of your whole child's development. Write it, stick it to your child's top (or pass on to us) and we will support your child in celebrating their achievement with their peers and adding it to our wow board.

Many thanks for your continued support and wishing you all a super 2017!

Love the Nursery Team
