

DEAR PARENTS

11th JUNE 2018

Dear Parents,

Each week you can find our Dear Parents letter on our indoor and outdoor noticeboard and also under the Nursery tab on the website for Polegate School at www.polegateschool.co.uk

Current Learning

The children are really enjoying taking part in the Wildlife Trusts '30 Days Wild'. This has been complimented by our nature and art creative project and already the children have gone on a nature walk, a scavenger hunt, made mudpies, designed natural paintbrushes and created a beautiful collage. We are looking forward to the next few weeks activities.

Suncream Expectations

Please make sure you apply your child's sun cream before the morning or afternoon session. Staff will reapply suncream to the children staying all day as long as they have their own named suncream in our box. (Will be on trolley) Please refer to sun safety policy on nursery website. Many thanks.

Rising Fives Transition

Ruby Prior has been supporting transition for us this year. She is now taking children over in the afternoons and working in Reception in the morning while Mrs Hanmore joins us. Mrs Hanmore is Transition TA, previously working in the nursery, and now is part of the Reception team. This is a great opportunity for our children to get to know a member of the Reception team while working in an environment they are already secure in. All three teachers are kindly coming over to lead a story time.

End of Year Celebrations

A separate letter will follow as soon as possible. We are looking forward to ending another great year with lots of fun and memory making together and a special treat to say goodbye to the lovely children who are moving on to school.

**Many thanks for your continued support.
Love from the Nursery Team**

Timetable reminder for new entrance

Thank you again for your cooperation and patience it was greatly appreciated. The new path was added over the May half term and has already made a big difference.

	Mon	Tues	Wed	Thurs	Fri
AM drop off	Both entrances
